

# SIZE MATTERS!

1. Standing, place your heel on the dotted line.
2. With your foot flat, mark the end of your toes with a pencil.
3. Don't forget to add between 5 and 8 mm to define your shoe size.
4. Once used, fold your foot shaped plane and send it to a friend!

## HAVE YOU PRINTED THE CORRECT SCALE?

To check whether it has printed at 100% the right size, grab a ruler and measure the scale above. It must be 5 cm.
